

Transition Policy

Dear parents and Guardians,

Please be advised that the first three days of your child attending Happy Faces Preschool is a transitional period. This is a time for your child to become familiar with the classroom, teachers and peers.

On the first day, school hours are **8:00 AM - 11: 00 AM**. A parent or appointed guardian must be present or available during these hours.

On the second day, the hours are **8:00 AM - 12:00 PM**. A parent or appointed guardian must be present or available during these hours.

The third day will be considered the first full day of Day Care. If your child needs more time to transition we will gladly accommodate him/her.

Thank You,

Happy Faces Preschool
